Summary

Motivated AIML undergraduate with experience in Python and Java projects, along with Python internships. Passionate about AI, machine learning, and software development, with strong problem-solving and programming skills. Eager to learn emerging technologies and contribute to innovative real-world solutions.

Skills

Technical Skills : Python, Java, C, Machine Learning, Dbms, Html, etc.
Soft Skills : Communication Skills, Team Work, Time Management, Leadesrhip, etc.

Internship Experience

Web Development Internship - Thiranex **May 2026 - June 2026**

Currently working as a Web Development Intern at Thiranex through a 1-month online internship program. Gaining hands-on experience in web technologies and real-time project development.

Python Internship – Oasis Infobyte **Sep 2025 - Oct 2025**

Completed Python projects, improving coding, debugging, and problem-solving skills while applying core programming concepts in real-world scenarios.

Computer Networking Internship – City Online AP Pvt Ltd **Dec 2023 - May 2024**

Gained hands-on experience in network configuration, troubleshooting, and system maintenance while improving technical and problem-solving skills in networking.

Projects

Credit Card Fraud Detection

Developed a machine learning system to identify fraudulent transactions using data preprocessing and predictive modeling to improve detection accuracy and fraud prevention.

Fake Currency Detection

Developed a Python-based system to identify counterfeit currency using image processing techniques and analyzed features to improve detection accuracy.

Car Price Prediction System

Developed a car price prediction system using Python and Machine Learning techniques to estimate vehicle prices based on data analysis and predictive modeling.

Online Shopping Application

Developed a full-stack web application enabling users to browse products, manage carts, and securely place orders, with integrated database support for efficient data handling.

Education

2024 - present Bachelor's Degree at **Parul University** (GPA: 7.2/10.0)
